A Message from Mr. Dodge...

This week is Read Across America Week at McLouth Elementary. Today we kicked things off with Read Across McLouth Day. Students in grades K-5, along with McLouth Elementary staff, lined the halls reading. Additionally, Mrs Holwick, our Media Center Specialist, passed out Dr. Seuss bookmarks, in recognition of his birthday, which was March 2nd. Mrs. Holwick has a variety of activities planned for the week, focusing on the love of reading. The next time you are here, be sure to check out our Dr. Seuss March Madness Tournament of Books, located on the bulletin board by the office.

The following message was shared last week. Given the nature of the message, it is worth sharing again this week. If you follow our Facebook page, you may have noticed a status identifying a change to our school calendar for Thursday, March 13, 2014. We will not have school for students PreK-5, in order to provide our staff additional technology training. The training will be addressing our transition from Outlook to Gmail as our district email program. Email addresses will not change. However, the avenues teachers take to send and receive email will be different. Additionally, this change may interfere with any emails being sent to our staff during the actual time of conversion, which we anticipate to take place over Spring Break. Please stay tuned to our Facebook page, for announcements regarding specific conversion times.

We are looking forward to the 5th grade Band program and Kindergarten through 2nd grade Music Performance in the Purple Gym this evening starting at 7 pm. Our students and teachers have worked hard over the course of the year to put together a great program. We hope to see you there!

Mark Dodge
