

# McLouth VIP Preschool Program Application

An Early Childhood Education Program  
Four-Year-Old Children

---

McLouth USD #342 was awarded a grant from the Kansas Department of Education to fund the VIP Preschool Program for the 2010-2011 school year. This early education program is available to four-year-old children living in our school district. We anticipate receiving funding for this program for the 2011-12 school year and we would like to encourage parents of preschool age children to apply by filling out this application and returning it to us. Application does not guarantee a spot in the program. We will offer a morning session and an afternoon session. Transportation will be provided to qualifying students living 2.5 miles or more from the school.

To be eligible for the program, participants must be four years of age on or before August 31, 2011 and meet one of the criteria listed below. If your child meets the criteria and is approved, an enrollment packet will be mailed to you when it's available.

If space is available non qualifying students may be enrolled in the program. A weekly fee would be charged. There will be a transportation fee as well for non qualifying students who live 2.5 miles from the school and want the school to transport.

**Only four year olds, by August 31, 2011, will be accepted.**
