Dear Parent/Guardian,

Please be advised of the McLouth school district's non-resident attendance request policy.

- The district is not required to admit non-resident students.
- Non-resident students must complete a written request application to the superintendent for approval prior to enrollment. Application forms are available in the high school office or on the school's website.
- A non-resident student who has been suspended or expelled from another district will not be admitted to the district unless approved by the administration.
- Applications must be renewed each year. Attendance, academic performance, and behavior will be reviewed and considered.
- Transportation of out-of-district students is not provided.
- Prior enrollment does not guarantee return to the district the following year.

Contact us if you have questions regarding the request process. We are pleased that you have considered McLouth for your child's education.

Respectfully,

Janna Davis  
6-12 Principal
