Seniors – You can purchase parking spots for \$5 to be reserved for the whole year! Please come talk to Mr. Kuckelman if you are interested. Below are the expectations for parking spots:

Parking expectations for seniors

1. If you are not in your spot by 8:05 each day, you lose your parking privileges for the day and anybody is allowed to park in your spot.
2. You must have the provided Identification Tag on your car to park in your space. This is to allow you to not be limited to driving the same car every day.
3. This rule does not apply to any sort of after school activity.
4. If you chose to be a part time student (less than five hours), you may lose your parking space privileges for the second semester. If you are still a full time student, you will be able to keep your spot all year.
5. If an underclassman is parking in your space, report a description of the car and/or the owner of the car to the office.

Parking Expectations for Underclassman

1. All spots purchased by seniors are off limits to park in.
2. If you park in a space that is reserved for a senior, you will be pulled from class and asked to move your car. You will then be required to make up the time missed in class with the teacher after school. Failure to do so will result in an office referral.

Interested in FFA? Member sign up is in the Ag room. Dues are \$20. First come first serve on t-shirts. C/O 2023, you must be enrolled in an Ag class to join FFA.
