

# Building Our Future

## McLouth Unified School District # 342

On April 7, 2015, when McLouth residents step into the voting booth, they will be asked to make an important decision regarding their school district and the students that attend their district. They will have the opportunity to vote for a cafeteria and kitchen addition, storm shelter in the elementary wing, partial roof replacement and track replacement.

Any informed voter will want to know if this project is necessary and what the financial impact will be. The statements below will help answer those questions.

Is this project necessary? A committee comprised of community members, board of education members, and McLouth School District employees met to try to determine current and future physical needs of the district. The committee invested considerable time evaluating district facilities. The projects listed are the ones that were determined to be essential to provide for the safety and well-being of the students in the district.

How much will this project cost me? The estimated cost of the project would be \$3,425,000. This would amount to an approximate increase of 5.55 mills on residential property. The approximate median house value in McLouth is \$100,383. The additional cost to a taxpayer who owned a house valued at the mean would be \$5.34 per month, this is less than the price of most extra value meals.

Please vote on April 7, your vote counts and is important for the students in your community!

### Proposed Projects

Cafeteria/Kitchen Addition

Elementary Storm Shelter

Partial Roof Replacement

Track Replacement

### Questions

Our desire for our patrons is that they are able to make an informed decision on election day April 7, 2015.

We would be happy to answer any questions. Please feel free to contact the McLouth School District Central Office at 913.796.2201. You may also contact us if you would like a representative of the project to speak to an organization or at an event.

Thank you for your continued support for the children of McLouth.
