McLouth Elementary Mission Statement

"Together, we live in a community that promotes academic excellence, respect, lifelong learning, and responsible citizenship."

Notes from the Elementary Office

By Mr. Johnson, McLouth Elementary Principal

It was another great week in the elementary! Students are settling into a routine and the busy nature of elementary is in full swing. Below are expectations that we are focusing on to establish an environment conducive to learning. Please review those with your child.

Practicing Kindness: We will adhere to the golden rule, "Treat Others as You Want to be Treated". We will look for the positive in people and practice being kind.

Adults in the Building: Our students are around many different adults through the day. Those adults are teachers, secretaries, custodians, paras, lunch staff and bus drivers. In order for our learning environment to be strong we ask that students do what adults ask. This is a must in regards to their safety and well-being and their academic achievement. Please encourage them to be respectful to all people at all times.

Strong School Culture: When visitors leave our school they will spread many things around about our school. We want them to talk about our kindness, respect, and pride in our school. It is a great school and we everyone to know that. Remind our students that their actions are always being observed and are spread around other communities.

How can I help my
child **SUCCEED** in
school?

Stay involved and feel free to contact your child's teacher with any questions or concerns.

Ask your children about school and encourage them to talk about their day.

Do not talk negatively about your child's teacher or school.

Read with your child every night.

Make sure your child is getting plenty of sleep and is ready for school each day.

Help your child with his/her homework every night.

Teach your children to be responsible for their actions and their schoolwork.
