McLouth Elementary Mission Statement

*"Together, we live in a
community that
promotes academic
excellence, respect,
lifelong learning, and
responsible citizenship."*

**Awesome
Students:**
Congrats to our
October Students
of the Month.

Let's BEEF Up Our PTO

McLouth PTO

A generous donor has given a $\frac{1}{4}$ of beef for PTO to raffle off. This will be cut as a standard cut. With a standard cut you will receive **around** 100 pounds of meat (this number varies!) This includes cuts such as steaks, roasts, and ground beef. We will hold the drawing for the winner

November 19th at 4:00pm over Facebook live. The lucky winner of the beef will not have to do anything or pay for anything. Once it is processed it will be picked up and Heather Glahn will arrange for delivery.

Tickets are 1 for \$10.00 or 3 for \$25.00. The raffle tickets are in booklets of six. Checks should be made out to "McLouth PTO."

If you **turn in your six tickets with money and would like MORE tickets**, please do one of the following:

1. Send a note in with the tickets.
2. Contact McLouth PTO on Facebook Messenger
3. Contact Heather Glahn (contact information below).

In all cases, please be sure to say which student to send tickets with.

If you have any questions please call/text/email Heather Glahn at 913-645-2691 or hglahn04@gmail.com

Please do not contact the school office with questions about the raffle.

VETERANS DAY

McLouth Elementary School wishes to invite the community, veterans, and all active military men and women for a short recognition ceremony to proudly honor those who have served and who are now serving at this time.

Please join us on Friday, November 12th, 2021 in the McLouth Purple Gym beginning at 9:15 am. Please RSVP by calling the elementary office at 913-796-6152 if you plan to attend so we can accommodate all seating. Thank you!

Weekly student news

Pollution

Did you know pollution can kill?

Here are some ways to help and some facts about pollution. Get to know the facts. Yearly, 100,000 animals are **killed** by pollution! It also plays a big part in global warming. Here is how you can help: not drive a car; Reduce, Reuse, and Recycle; you can also use compost; and do not keep lights on if not needed.

Help save the world. **YOU** can save the world. You just have to try hard and go green to stay clean. If you look in the picture, you can barely see the background or the boy. Donate to the Environmental Defense Fund, The Nature Conservancy, or American Rivers and Trust for Public Land.

District Communication Guide

USD #342 uses several tools to proactively communicate with our patrons. The district has developed the communication guide below to assist in the delivery of information. For the latest and most accurate information about USD #342, visit the website at www.mclouth.org or download the district app for a mobile friendly version and notifications. The USD #342 homepage features current news, lunch menus, and the most accurate district calendar. The website also features a "Parent & Student" section with helpful information such as student forms, handbooks and PowerSchool information.
