

Bullpup Blast

McLouth Elementary- October Updates

One-Chip Challenge: Please Be Aware

There has been a new challenge that is circulating through schools. It is called the One-Chip Challenge. It involves a potato chip with extreme spices and the challenge is to eat it. Several articles have been published stating there are severe medical complications can happen, especially for children. We want all students to be safe and know what they are doing. Please talk to your students about the danger of putting anything into their systems if they are unaware of the contents or if it is any type of a "challenge". Going forward if we have any of these chips brought to school, they will be confiscated and not returned to the student. Appropriate consequences will be given if a situation occurs.

3-5 Music Program

Thursday, October 27th the third through fifth grade students will perform their Halloween music concert. Students need to report to their classrooms at 6:40 pm. They are to wear Halloween costumes. I can't wait to see the kiddos in action.

Red Ribbon Week

The week of October 24-28th we will celebrate being drug free. The students will have short lessons on why it is important to stay away from illegal drugs, smoking, and vaping. They will also learn about the difference between medications prescribed by the doctor and administered by parents and substances they should stay away from. Of, course this will be geared to what is appropriate for the grade level.

Students will be allowed to dress up for the week:

Monday: Rally in Red

Tuesday: "Mismatched" Day

Wednesday: "Sports" Day

Thursday: "Future You" Day

Friday: "Pajama" Day

Friday will also be our monthly Bullpup Award Assembly. Students who have received a Bullpup Award for the month of October will be celebrated and those parents are invited to attend. All parents of students nominated for an award will be contacted.

Halloween Parade and Parties

On Monday, October 31st we will be celebrating Halloween at the elementary school. Students are allowed to come to school in costume. Costumes must be school appropriate-no weapons, blood or gore, and masks can only be worn during the parade.

The parade will start at 2:15 with classroom parties following the parade. We are looking forward to an amazing day.
