September, 2020

Dear 2020-2021 McLouth Kindergarten Families,

The state of Kansas is focusing on Kindergarten Readiness and because the first 5 years of life are so important we want to partner with you to ensure the best start for your child.

We would like for you to help us by completing two Ages & Stages Questionnaires (ASQ-3 and ASQ:SE-2). These are snapshot tools to help you record development and provide us with a more complete picture of your child.

You will be asked to answer questions about some things your child can and cannot do. The questionnaire will gather information about your child's communication, gross motor, fine motor, problem solving, and personal social skills.

To complete this snapshot tool, which includes both the ASQ-3 and ASQ:SE-2, please use/click on the link provided in the email or copy and type the link below into your browser. If you would prefer to complete a hardcopy and then have us enter the information please call the elementary office at 913.796.6152

<https://www.asqonline.com/family/1a0bf0> ("0" is a zero not the letter "O")

When prompted please select: "I am completing both the ASQ-3 and ASQ:SE-2" Please complete both questionnaires prior to September 20, 2020 and feel free to let us know if you have any questions. Thank you for your participation!

Sincerely,

Jerome Johnson

Principal – McLouth Elementary
