SITE COUNCIL

September 8 @ 5:30

If you are wanting to get more involved in helping guide the school, SITE Council is a great opportunity to serve the school and community.

FLU SEASON

Flu season is just around the corner.

We send our students home when one of the following occurs; fever 100* or higher, throwing up, or diarrhea. Please do not send your child back to school until they have been fever free for 24 hours without medication.

BIKE SAFETY

Riding to School

Please review with your child basic street safety precautions. We have had several bike riders dashing in between cars in the parking lot, not stop at stop signs and a couple who have almost had accidents as reported from staff members.
