

Friday - April 3

Reading

Required - Go to the HMH website (the reading link for today): Have access to both stories from this week.

Complete a Venn Diagram comparing the two stories: Click this link to see a Venn Diagram. [Venn Diagram \(printable if you would like to\)](#) Please take a picture of the completed Venn Diagram and send it to your child's teacher.

- They can draw it on a piece of paper (turn the paper sideways, or landscape, so it is longer). You draw two large circles that overlap in the middle (with enough room to write).
- On top of the left circle write Jack. On top of the right circle write Jackie.
- In the overlapping part of the circles: have them write 2-3 things that are similar in both stories
- In the large part of the circle on the left - write 2-3 things that are only in the Jack story.
- In the large part of the circle on the right - write 2-3 things that are only in the Jackie story.

Optional

- Your student can use iRead – it is one of the options on the first page once you login to HMH.
