## Writing

Go to <https://www.youtube.com/watch?v=YzHPw5FpbZ8> and before starting the story tell your child “The boy seems determined not to read! I wonder why? Let’s meet him and find out.”

When you are done listening to the story orally answer the following questions.

- What makes you think the boy is avoiding reading the book?

*Answer: He remembers to do things that parents usually have to remind kids to do, such as flossing or cleaning under his bed.*

- Have you ever tried to avoid doing something by doing something else?
- What kind of person is the boy? Is he what you expected?
