Writing

Go to <https://www.youtube.com/watch?v=JXsUZj1hT2s> and you only need to watch the first 2 minutes and 30 seconds. Then go to this website <https://www.abcteach.com/Writing/FLinfo.htm> and discuss with your child the descriptions of each section of a letter. The main point for today is for them to learn the parts of the letter and they can refer back to these later on in the week if they cannot remember what to do for each part.
