

Thursday – April 2

Writing

You will continue working on your letter today and you need to come up with 3 reasons why you think someone should read the book or watch the movie. Write these three things in complete sentences on your letter. The reasons should have more detail than “It is fun” or “It is cool”.

Example reasons: The main character Emily is so funny when she tells jokes to her friends. It has a sad part about a horse that will make you cry.
