

Handwriting Agenda

1. Start by getting two objects that can be used to form the letter V (i.e. sticks, markers, socks, etc)
2. Have your student write the letter V again today as practice. You could challenge them to see how many letter V's they can write. We would love to see a picture of their letter V page.

***Something to keep in mind is to make sure that your child is holding their writing utensil the correct way.
