

Snake Patterns

1. Create a few snake templates for your child.
2. Your child can use stickers, crayons or items to create a pattern inside the template
3. Try an AB pattern first Example: Red, blue, red, blue
4. Then Try an ABC pattern: Red, blue, yellow, red, blue, yellow
5. Then Try an AABB pattern: Red, Red, Blue, Blue, Red, Red, Blue, Blue
