

Stamp and Count

Stamp & Count
DUPLO Math Game

If you do not have Playdough, here is a recipe that includes water, flour, olive oil, cream of tartar and food coloring:

<https://livingwellmom.com/easy-homemade-playdough-recipe/>

If you don't have Legos, you can use things like coins, buttons, or beads

Use number flashcards and have your child either:

Stamp that many holes in the Playdough

Or

Use different Legos to make stamps, count the amount and then find the number that corresponds with the amount of holes.
