

Syllable Hopscotch

The phonological awareness tab is geared more towards the 4 year old group due to 4 year old standards. 3 year olds have not been introduced to most of these concepts yet but if you wish to try, feel free but don't work to the point of frustration

Alternatives to a hopscotch board:

1. Chalk
2. Number cards
3. 4 different stuffed animals or objects that are spread out like the photo

Give your child a word, the child can do the "Head, shoulders, knees, and toes method" and then hop to the number or they can hop without the extra help.
