

McLouth High School Changes for 2020-21

Art courses now include Introduction to Art, 2D Art, 3D Art, and Advanced Art. Intro, 2D, and 3D are all one semester each. Intro must be completed before enrolling in 2D and/or 3D. Both Intro, 2D, and 3D are required before enrolling in Advanced Art.

Business classes have been realigned to match our Career Cluster Pathway in Business Management and Entrepreneurship. Principles of Marketing (year long course) has been added.

Family and Consumer Sciences (FACS) courses have been realigned and changed to match our transition in Career Cluster Pathway from Hospitality Management to Family, Community and Consumer Services. New classes include Family Studies and Human Growth and Development (one semester each).

Ag Mechanics will be offered this year in place of Animal Health/Vet Tech. Animal Health/Vet Tech will be offered again in 2021-22 as they are on a rotating schedule.
