

Dear families and educators of the McLouth community,

As you may be aware, PowerSchool – a cloud-based software vendor used by McLouth USD #342 – recently experienced a cybersecurity incident involving unauthorized access to certain information in the PowerSchool Student Information System (SIS).

We are reaching out to share more information and next steps that we recently received directly from PowerSchool:

- **Identity Protection and Credit Monitoring Services:** PowerSchool has engaged Experian, a trusted credit reporting agency, to offer **two years of complimentary identity protection services for all students and educators whose information from our PowerSchool SIS was involved. This offer will also include two years of complimentary credit monitoring services for all adult students and educators whose information was involved.**
- **Notification to Individuals Involved:** Starting in the next few weeks, in collaboration with Experian, PowerSchool will provide notice to students (or their parents / guardians if the student is under 18) and educators whose information was involved, as well as a phone number to answer any questions you may have about the incident. The notice will include the identity protection and credit monitoring services offer (as applicable).
- As soon as PowerSchool learned of the incident, they engaged cybersecurity response protocols and mobilized senior leadership and third-party cybersecurity experts to conduct a forensic investigation of the scope of the incident and to monitor for signs of information misuse. PowerSchool is not aware of any identity theft attributable to this incident.

In the meantime, we encourage you to visit <https://www.powerschool.com/security/sis-incident/> for up-to-date information on the cybersecurity incident. We care deeply about the welfare of our families and will continue to do everything we can to support you. Thank you for the important role you play in our community and your shared commitment to putting our students first.

GENERAL INFORMATION ABOUT IDENTITY THEFT PROTECTION

It is always advisable to regularly review statements from your accounts and periodically obtain your credit report from one or more of the national credit reporting companies. You may obtain a free copy of your credit report online at www.annualcreditreport.com by calling toll free 1.877.322.8228, or by mailing an Annual Credit Report Request Form (available at www.annualcreditreport.com) to: Annual Credit Report Request Service, P.O. Box 105281, Atlanta, GA, 30348-5281. You may also purchase a copy of your credit report by contacting one or more of the three national credit reporting agencies listed below:

- **Equifax**, P.O. Box 740241, Atlanta, GA 30374-0241. 1.800.685.1111. www.equifax.com
- **Experian**, P.O. Box 9532, Allen, TX 75013. 1.888.397.3742. www.experian.com
- **TransUnion**, Consumer Disclosure Center, P.O. Box 1000, Chester, PA 19016. 1.800.888.4213. www.transunion.com

Fraud Alert: You may contact the fraud department of the three major credit bureaus to request that a “fraud alert” be placed on your file. A fraud alert notifies potential lenders to verify your identification before extending credit in your name.

Equifax:	Report Fraud:	1.888.378.4329
Experian:	Report Fraud:	1.888.397.3742
TransUnion:	Report Fraud:	1.800.680.7289

Security Freeze for Credit Reporting Agencies: You may request a security freeze on your credit reports. A security freeze prohibits a credit reporting agency from releasing any information from a consumer’s credit report without written authorization. However, please be aware that placing a security freeze on your credit report may delay, interfere with, or prevent the timely approval of any requests you make for new loans, credit mortgages, employment, housing or other services. It is free to place, lift or remove a security freeze. You must separately place a security freeze on your credit report at each credit bureau. To do so, you must contact the credit bureaus by phone, mail, or secure electronic means:

- **Equifax:** P.O. Box 105788, Atlanta, GA 30348, 1.888.298.0045, www.Equifax.com
- **Experian:** P.O. Box 9554, Allen, TX 75013, 1.888.397.3742, www.Experian.com
- **TransUnion:** P.O. Box 160, Woodlyn, PA 19094, 1.800.916.8800, www.TransUnion.com

To request a security freeze, you will need to provide the following:

- Your full name (including middle initial, Jr., Sr., Roman numerals, etc.),
- Social Security number
- Date of birth
- Address(es) where you have lived over the prior five years
- Proof of current address such as a current utility bill
- A photocopy of a government-issued ID card
- If you are a victim of identity theft, include a copy of either the police report, investigative report, or complaint to a law enforcement agency concerning identity theft

If you request a freeze online or by phone, the agency must place the freeze within one business day. The credit bureaus have three business days after receiving a request by mail to place a security freeze on your credit report, and they must also send confirmation to you within five business days and provide you with a unique personal identification number (PIN) or password, or both that can be used by you to authorize the removal or lifting of the security freeze. To lift the freeze to allow a specific entity or individual access to your credit report, you must contact the credit reporting agencies and include (1) proper identification; (2) the PIN number or password provided to you when you placed the security freeze; and (3) the identities of those entities or individuals you would like to receive your credit report or the specific period of time you want the credit report available.

You also have rights under the federal Fair Credit Reporting Act (FCRA). These include, among others, the right to know what is in your file; to dispute incomplete or inaccurate information; and to have consumer reporting agencies correct or delete inaccurate, incomplete, or unverifiable information. For more information about the FCRA, please visit http://files.consumerfinance.gov/f/documents/bcfp_consumer-rights-summary_2018-09.pdf or <http://www.ftc.gov>.

Steps You Can Take if You Are a Victim of Identity Theft

- **File a police report.** Get a copy of the report to submit to your creditors and others that may require proof of a crime.
- **Contact the U.S. Federal Trade Commission (FTC).** The FTC provides useful information to identity theft victims and maintains a database of identity theft cases for use by law enforcement agencies. File a report with the FTC by calling the FTC's Identity Theft Hotline: 1-877-IDTHEFT (438-4338); online at <http://www.ftc.gov/idtheft>; or by mail at Identity Theft Clearinghouse, Federal Trade Commission, 600 Pennsylvania Ave., N.W., Washington, D.C. 20580.
- **Keep a record of your contacts.** Start a file with copies of your credit reports, the police reports, any correspondence, and copies of disputed bills. It is helpful to log conversations with creditors, law enforcement officials, and other relevant parties.

Additional Steps to Avoid Identity Theft: The FTC has further information about steps to take to avoid identity theft at: <http://www.ftc.gov/idtheft>; calling 1-877-IDTHEFT (438-4338); or write to Consumer Response Center, Federal Trade Commission, 600 Pennsylvania Ave., N.W., Washington, D.C. 20580.
